

Jackie

Hi my name is Jackie Smith and I am a senior at Torrance High School. I have been on the swim team at Torrance all four years and I am a member of the National Honor Society. I was in Aquacade for four years and on SOS for 2 years. I volunteer coached for SOS for one year and I love it!

I am in the process of applying to college, in hopes of majoring in Sociology or Child Development. My dream is to one day become an occupational therapist.

I love swimming, Hanging out with my friends, reading, my facebook panda, and the color purple. I have two dogs, an Australian Shepherd named Keely and a three-legged dog named Cory.
